INTERNATIONAL ROWING REGATTA OF EIGHTS

SPLIT,
HRVATSKA/CROATIA

Dear friends,

We are pleased to invite University rowing crews from your cities at the 11th International Rowing Regatta of eights which will be held in Split on 5th and 6th May 2012. The regatta is organized by Split University Sport Association, Croatian University Sport Association, Dalmatian Rowing Federation, Croatian Rowing Federation and Rowing Club Gusar.

Two-day program of the regatta is divided in two parts: **University race of eights** on May, 5th and **Race of Oxford, Cambridge and Split rowing legends** on May, 6th. The number of Croatian and foreign universities participating at the Sveti Duje regatta is increasing every year and Split citizens have already accepted this regatta as a part of their traditional celebration. Therefore, we would be honoured to welcome your university crews as well and give our modest contribution in strengthening the relationships in Adriatic and Ionian area, not only through entrepreneurship but this time through sport.

Please find further information on the official regatta web page www.regata-svetiduje.com. The regatta program with all necessary information will be sent upon the request, please notice accommodation and food for all participants is free.
